Our Expertise

Management Consulting

Tahseen Aviation specializes in developing strategies, assisting key Management Team in driving good business, implementing strategies, optimizing operations processes to ensure best practice in all areas of operations . Our mission is to simplify operating environment to reduce costs.

Maintenance & Engineering Consulting

Our team of experts have over 40 years of experience and can assist in the evaluation of aircraft and engines considered for lease or purchase.

We also provide Technical Representation for Airline or Operator at the manufacturer site during inspections.

Fleet Management

Tahseen Aviation offers cost-effective management solutions for both commercial and privately owned aircraft that will ensure optimized operations without comprising the aircraft value.

Sales & Marketing Consultant

Tahseen Aviation offers Airlines efficient tailor-made Marketing Strategies such as Branding, Campaigns, PR Activities / Events to stimulate the market demand.

We also provide Sales Distribution Strategy with guaranteed reduced costs and facilitate payment gateways.

What Our Clients Say

"We have had a **long and lasting harmonious working relationship with TAHSEEN AVIATION** since 2010. Since it's inception, they have provided us with **tremendous excellent services** to our businesses in terms of cooperation, chartering and ground handling. **They are deeply solid and reliable besides being experts in their field** and offer the **most competitive rates** in the market."

- Roman T. , **Aircraft Operator**

TAHSEEN AVIATION is a long-standing supplier and a loyal client, where we assist them with their charter flights and offer them services in our locations. We have worked together since 2013, and **they have always provided clear and professional services to all our clients/operators who come from all over the globe, which makes them one of our preferred suppliers.**

- Essa Z., **Flight Support**

We would like to express our appreciation for the **professional and timely services of TAHSEEN AVIATION**. They have been providing us with Aviation Chartering, Permits and Consulting Solutions since 2015. We have always been able to count on their friendly and professional team, even for our requirements of cargo or passenger aircraft in challenged conditions and war risk zones.

- Anthony M., **Cargo Airline**
